

The Noodles & Company Foundation was created to help improve the well-being of our team members by being there in times of sudden crisis, providing them and their family members educational opportunities and allowing us to give back to the communities we serve.

It is a Foundation created by our team members for our team members throughout our entire organization.

WHAT TYPES OF EVENTS ARE CONSIDERED?

- Unusual medical/dental expenses caused by a severe illness/ accident
- Loss of home or contents due to a catastrophic event (e.g. fire, crime or flood) that is not covered by insurance
- Expenses due to the death of a Noodles team member or a member of a Noodles team member's immediate family
- Emergency housing expenses to prevent or immediately following eviction
